Global PPF Marketing Materials

1 TableTop Display (6210)

The Global PPF tabletop display commands readership with your entry-level Door Defense offer that will often lead to a full or partial coverage option package.

2 Warranty Certificate (4005)

Nothing makes your new customer feel like they have made the right choice more than a comprehensive warranty documentation presented at the time of vehicle delivery. Using the Global PPF warranty certificate says you are a top-tier professional worthy of customer referrals.

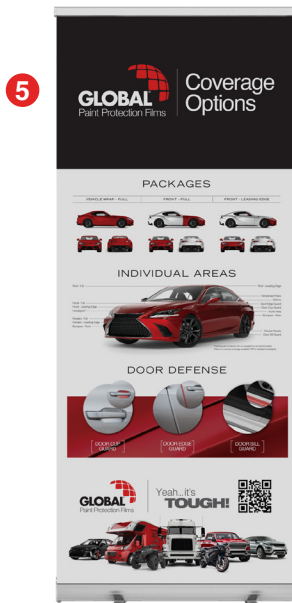

3 72x36 Outside Banner (6110)

4 72x36 Inside Banner (6120)

Global's outside banner makes a memorable impression on your drive-by traffic. The inside banner will spice up any wall, saying you are a proud Global PPF dealer.

5 33x81 Retractable Floor Display Coverage Options (6220)

If you are short on wall space, or maybe you need handsome signage at a local trade show, the Global PPF retractable floor display is perfect. More important, the content is laid out to guide a salesperson through the good-better-best coverage options that you offer.
